---

## **Sherwood Closes Playgrounds, Basketball Courts & Dog Park**

The City of Sherwood has closed all playgrounds, basketball courts and the dog park. Public restrooms also remain closed. You may access the rest of the park but please maintain social distancing and do not congregate in groups.

Visiting a park is a good way to improve mental health, relieve stress, and exercise; things we especially need now, so please follow the guidelines for protecting your personal health as well as the health of others.
